

# County Deer Advisory Councils

**Help set the stage for future deer seasons!**

**Meetings start August 21**

CDACs review deer management unit boundaries and recommend deer population objectives to increase, decrease or maintain the herd in each county's deer management unit(s). These population objectives and deer management units affect antlerless carcass tag availability and deer season options for the next three years. Your council needs your feedback!

**Find your county's meeting date and learn more at:**

**[dnr.wi.gov](http://dnr.wi.gov), keyword "CDAC"**
